PART I — APPLICANT SECTION

1. Name of Applicant (family name, given name, middle initial)	2. Advanced Degree(s)	3. Social Security Number (if available)
Position/Title:		
4a. Name of Applicant's Institution	5. Permanent Mailing Address (street address, city, state/province, country, postal code)	
4b. Department, Service, Laboratory, or Equivalent	6. Dates of Proposed Travel (MM/DD/YY to MM/DD/YY)	
7. Office Phone (country code, city/area code, number, extension)	8. Fax Number (country code, city/area code, number)	9. Home Phone (country code, city/area code, number)
10. E-mail Address	11. Present Address, Phone, and E-mail (if different from permanent information)	
12. Date	13. Signature (indicates acceptance of certification below)	

PART II – COLLABORATING RESEARCHER SECTION

14. Name of Collaborating Researcher	15. Name of Collaborating Researcher's Institution
16. Date	17. Collaborating Researcher's Signature Agreement (indicates acceptance of applicant's research program and certification below)

APPLICANT AND COLLABORATING RESEARCHER CERTIFICATION AND ACCEPTANCE:

I have read and understand the U.S. Federal regulations on the conduct of research supported by the National Institutes of Health (NIH). I certify that the statements herein are true, complete, and accurate to the best of my knowledge, and accept the obligation to comply with NIH terms and conditions if an award is made as a result of this application. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties.

APPLICATION CHECKLIST

To ensure that ***all*** documents supporting the USDISCA application are properly completed and included with your application, please check the appropriate items listed below and return this checklist with your application. Only **COMPLETE** applications can be reviewed by NIDA.

PART I — U.S. Applicant's Portion

- ☐ Form Page 1 with Items 1–13 completed (*including signature*). Send ORIGINAL to Collaborating Researcher for his/her signature agreement.
- ☐ Form Pages 2–8
- ☐ Program Plan (*not to exceed 7 pages*)
- ☐ List of peer-reviewed publications
- ☐ Appendix
Applicants who have authored or coauthored articles in peer-reviewed scientific journals may submit a maximum of three publications.

PART II — Collaborating Researcher's Portion

- ☐ Form Page 1 with items 14–17 completed
- ☐ Form Pages 9–11
- ☐ Collaborating Researcher's Statement (*not to exceed 7 pages*)

PART III — References

Applications without references are incomplete and will NOT be reviewed.

- ☐ Two references have been requested from:
 - 1. _____ (Current Supervisor)
 - 2. _____ (Colleague)

Applicant's Program Plan Summary

Please provide a 50-word (or less) summary of your goals for the program.

Applicant's Program Plan

This section may not exceed 7 pages.

- 1) Please describe the proposed collaborative effort, including timeframe and expected outcome.
- 2) Describe how the proposed collaborative effort will advance scientific understanding of drug abuse and addiction (as assessed by significance, approach, innovation, and qualifications).
- 3) Please describe how the proposed collaboration falls within the NIDA research mission.
- 4) Please describe your understanding of the U.S. Federal guidelines regarding the conduct of research, and how you and your Collaborating Researcher will ensure that research conducted as a result of this award complies with all NIH and institutional requirements.
- 5) Please explain why you selected this Collaborating Researcher and institution to accomplish your research goals.
- 6) If applicable, please describe how this proposal will enhance research skills in the United States or in the Collaborating Researcher's home country.

Funds paid to a Distinguished Scientist under the U.S. Distinguished International Scientist Collaboration Award are considered Federal financial assistance to the U.S. institution and must comply with the same U.S. Federal regulations, policies, guidelines, and review considerations as do all NIH research project grant applications.

Accordingly, the individual signing the Distinguished Scientist application as the **Official Signing for Sponsoring Institution** is certifying that the sponsoring institution and its principals will comply with all NIH terms and conditions.

In addition, by signing below, the **NIDA Grantee** agrees to accept responsibility for the scientific conduct of any research conducted as a result of a Distinguished Scientist award and to comply with both NIH and institutional regulations.

For a complete discussion of the NIH regulations, consult the NIH Grants Policy Statement at <http://grants.nih.gov/policy/policy.htm> or "Section 8 – Research Plan" of the *Application for a Public Health Service Grant, PHS 398 Instructions*, <http://grants2.nih.gov/grants/funding/phs398/phs398.html>.

Any research conducted as a result of a Distinguished Scientist Award must comply with all NIH policies on:

- Human Subjects
- Research Using Human Embryonic Stem Cells
- Research on Transplantation of Human Fetal Tissue
- Women and Minority Inclusion Policy
- Inclusion of Children Policy
- Vertebrate Animals
- Debarment and Suspension
- Drug-Free Workplace
- Lobbying
- Non-Delinquency on Federal Debt
- Research Misconduct
- Civil Rights (Form HHS 441 or HHS 690)
- Handicapped Individuals (Form HHS 641 or HHS 690)
- Sex Discrimination (Form HHS 639-A or HHS 690)
- Age Discrimination (Form HHS 680 or HHS 690)
- Recombinant DNA and Human Gene Transfer Research
- Financial Conflict of Interest

CERTIFICATION: We, the undersigned, certify that (a) the information herein is true and complete to the best of our knowledge; (b) if this application results in an award, appropriate training, adequate facilities, and supervision will be provided; and (c) we accept the obligation to comply with the NIH terms and conditions of the award. We are aware that any false, fictitious, or fraudulent statement may subject us to criminal, civil, or administrative penalties.

Host Institution Certifications, Assurances, and Commitment of Resources

The U.S. Distinguished International Scientist Collaboration Award (USDISCA) supports a 1- to 3-month scientific visit by a National Institute on Drug Abuse (NIDA) grantee to the home institution of a collaborating drug abuse researcher from another country. Research conducted in other countries with support from NIDA must comply with the same U.S. Federal regulations, policies, guidelines, and review considerations as do all NIH research project grant applications.

Accordingly, the individual signing this U.S. Distinguished International Scientist application as the **Official Signing for Host Institution** is certifying that the host institution and its principals will comply with all NIH terms and conditions.

In addition, by signing below, the **Collaborating Researcher** agrees to accept responsibility for the scientific conduct of any research conducted as a result of a U.S. Distinguished International Scientist Award and to comply with both NIH and institutional regulations.

Furthermore, by signing below, the **Department Head** and the **Official Signing for Host Institution** agree that the NIDA grantee applicant for this USDISCA award will be in residence at the host institution for the 1- to 3-month period of NIDA support and that during the award period, the host institution will provide the applicant and Collaborating Researcher with equal access to the institutional resources (such as laboratory, clinical, animal, computer, and office facilities and equipment) required to support the proposed collaboration.

For a complete discussion of the NIH regulations, consult the NIH Grants Policy Statement at <http://grants.nih.gov/policy/policy.htm> or "Section 8 – Research Plan" of the *Application for a Public Health Service Grant, PHS 398 Instructions*, <http://grants2.nih.gov/grants/funding/phs398/phs398.html>.
